( AGREEMENT )

THIS AGREEMENT is made and entered into by and among the Trinity Broadcasting Network, Inc. ("TBN"), a California non-profit corporation and Brooks Broadcasting ("BBI"), a Colorado Stock Corporation.

WITNESSETH:

WHEREAS, BBI holds a valid and unexpired construction permit issued by the Federal Communications Commission ("FCC") for a low power television station to operate on Channel 42 Fayetteville, Arkansas, call sign K42BS (the "Station") (attached hereto as Exhibit A); and

WHEREAS, BBI wishes to provide high quality programming to the residents of Fayetteville, Arkansas and

WHEREAS, BBI seeks the expertise of an experienced group to assist in the financing, construction and operation of the Station; and

WHEREAS, BBI wishes to promote the Station in the community by association with a visible and well regarded organization;

NOW THEREFORE, IT IS AGREED AS FOLLOWS:

1. Purchase of Equipment. TBN or its designee will purchase transmission equipment used and useful for the operation of the Station, including but not limited to a 1000 watt transmitter, a broadcast antenna, associated transmission line and a receive only earth station. Equipment purchased shall be consistent with the specifications of BBI's

struction permit; the standards of good engineering practice; and the concurrence of TBN. Said equipment shall cost not more than Eighty-five thousand dollars (\$ 85,000 .00 ).

2. Lease of Equipment. The equipment purchased by TBN pursuant to paragraph 1, supra, will be leased to BBI. The parties contemplate that a separate Lease Agreement ("Lease Agreement") between the parties containing the terms and covenants usual with such agreements shall be negotiated between the parties. The monthly lease payments specified in the Lease Agreement shall equal the cost of the equipment purchased pursuant to paragraph 1 amortized over the seven year useful life of the equipment, with an additional 12 per cent per annum simple interest on the remaining balance added to each lease payment.

3. Programming. TBN shall have the right to provide up to 24 hours per day of programming for broadcast on the Station, and shall, in all events, provide programming for the Station between the hours of 6:00 a.m. and 12:00 midnight. TBN shall provide BBI upon request with a schedule describing the content of programs proposed during each broadcast week within 72 hours of the commencement of each broadcast week. It is understood that, as an FCC licensee, it is prerequisite and responsibility of BBI to make all ultimate decisions regarding operation of the Station.

4. Programming Cost. TBN shall pay BBI a monthly sum equal to BBI's monthly payment pursuant to the Lease Agreement contemplated in Paragraph 2, supra.

5. Advertising and Programming Standards. In the event TBN provides less than 24 hours of programming per day, programming, program announcements or commercial messages which are broadcast on the Station shall not contain material which is morally offensive, including but not limited to any and all R, R-13 or X rated movies or movie advertising; advertising for products of a personal nature; advertising for contraceptives, alcoholic beverages, or feminine hygiene products of a personal nature; and programming or advertising containing positive references to the occult, witchcraft, astrology, horoscopes, magic (such as mystic science), gambling, tobacco products, controlled substances or sexual promiscuity. No program, announcement or advertisement may solicit for funds or seek contributions. All programming, announcements, and commercial announcement broadcast shall be consistent with the general tenor and character of the programming provided by TBN. Any such program or announcement not consistent with paragraph 5 shall not be broadcast on the Station.

6. Station Management.

(a) During the term of this Agreement BBI hereby designated TBN as its managing agent, who shall be responsible to BBI for the proper installation of equipment, construction of necessary towers, buildings, and other accessories used and useful in the operation of the Station, and maintenance and operation of the Station in accordance with the standards of good engineering practice

and the rules and regulations of the Federal Communications Commission, including but not limited to a licensee's obligations under the Fairness Doctrine and section 315 of the Communications Act of 1934, as amended, and sections 73.2080 and 74.734 of the Commission's rules and regulations concerning nondiscrimination in hiring and employment, and attendance of a licensed operator at the transmitter site during local origination, as well as all applicable federal and state laws and administrative regulations.

(b) From the date hereof until the expiration of the Term, TBN and BRI shall use their best efforts to preserve the goodwill of the community arising through the operation of the Station, and relations with suppliers, customers and others having business dealings with the Station.

(c) From the date hereof until the expiration of the Term, TBN shall use its best efforts to cause the business and affairs of the Station to be conducted in the ordinary course.

(d) From the date hereof until the expiration of the Term, BRI and its agents shall have access during normal business hours to all of the Station's property and assets managed by TBN, including but not limited to the transmitter, antenna site and studio facilities (if any), and shall have the right to review all logs and records relating to Station operation, to make extracts or copies

thereof, and to interview TBN employees involved in the operation of the Station concerning all aspects of Station business and operation.

(e) From the date hereof until the expiration of the term, TBN shall be responsible for making: any antenna site lease or rental payments; any lease or rental payment for a transmitter building; and any payments for electricity or other utilities incident to the operation of the Station.

7. Term and Renewal Option. This Agreement shall terminate on the last day of the eighteenth month after the Station commences operation pursuant to section 74.15 of the FCC's rules and regulations (the "Term"), and may be renewed at TBN's option for one (1) consecutive term of six months by giving written notice of its intention to renew at least thirty (30) days prior to the expiration of the Term.

~~8. Condition Precedent-Title to or Lease Rights to Transmitter Site. Within ten (10) days of the execution of this Agreement BBI shall deliver to TBN evidence, sufficient in the opinion of the TBN's counsel, that BBI holds title in fee simple to a sufficient portion of the land constituting BBI's transmitter and antenna site for the Station to enable the Station to continue utilizing said land for its unhindered operation during the Term contemplated hereunder; or possesses a lease for land or for space on an existing tower and in a transmitter building sufficient to allow the unhindered operation of the Station during the contemplated Term~~

BPC

~~Term of this Agreement. Satisfaction of this contingency shall be a condition precedent to the performance of any of TBN's obligation under this Agreement.~~ C/P

9. Option. TBN is hereby granted an exclusive option to acquire the Station from BBI at any time after the commencement of Station operation as defined in paragraph 7, or as soon as practicable under the applicable rules and regulations of the Federal Communications Commission (the "Option"). The purchase price of the Station, should the Option be exercised, is \$1,500.00, of which \$500.00 is to be paid at the execution of this Agreement and another \$500.00 to be paid when the Station goes on the air, ~~less the initial cost of equipment TBN purchased for the Station and leased to BBI~~. C/P

10. Exercise of Option. TBN's Option shall be exercised, if at all, by written notice to BBI within the Option term.

11. FCC Consent. In the event TBN determines to exercise its Option, within 30 days following the date of the exercise of said Option, TBN and BBI each shall prepare their respective portions of and file with the FCC an application on the appropriate form requesting consent to the assignment contemplated by the Option. Both parties covenant and warrant that they will vigorously cooperate with each other and with the FCC to secure the FCC's final approval to the assignment as promptly as possible. "Final Approval" as used herein, shall mean approval by the FCC which is no longer subject to administrative or court review or reconsideration as set forth in section 1.117 of the Commission's rules and regulations.

12. Time for FCC Approval. In the event Final Approval of the FCC is not obtained within two hundred seventy (270) days of the date of filing of the application contemplated by paragraph 11, supra, or if such application is designated for hearing, either party, upon written notice to the other party, may declare that the application for FCC consent to the assignment of the Station to TBN is deemed to have been denied by the FCC. FCC approval may be sought at any time as soon as practice under the applicable rules and regulations of the FCC and as many times as necessary during the Term to meet the requirements of all applicable FCC rules, policies and procedures.

13. Option Closing. In the event TBN exercises its Option to purchase the Station pursuant to paragraph 9, supra, the Closing of such transaction shall be held at the offices of Colby M. May, Esq., 1156-15th Street, N.W., Suite 515, Washington, D.C. 20005, or at such other location as may be mutually determined by TBN and BBT, at such time and date as TBN may specify within thirty (30) days of the date that the FCC consent required by paragraph 11, supra, constitutes Final Approval (herein the "Option Closing Date").

14. TBN Conditions to Closing. In the event TBN exercises its Option to purchase the Station pursuant to paragraph 8 supra, the obligation of TBN to complete the transactions herein contemplated is subject to the continuing truth and accuracy of all representations and warranties of BBT contained herein or in the Lease Agreement or otherwise made to TBN by \_\_\_\_\_

BBI in writing in connection with the transactions herein contemplated and to the satisfaction of the following conditions:

(a) Representations and Warranties: The representations and warranties of BBI contained in this Agreement and in the Lease Agreement shall be true on and as of the Option Closing Date with the same effect as though such representations and warranties had been made on and as of such date, except for changes in the ordinary course of business which are not materially adverse.

(b) Performance. BBI shall have performed and complied with all agreements and conditions contained herein required to be performed or complied with by it prior to or at the Option Closing Date.

(c) Purchase Permitted. At the Option Closing Date, there shall not be any litigation pending in which an injunction is or may be sought to prevent or postpone the transactions herein contemplated or in which any relief whatsoever is or may be sought against BBI as a result of this Agreement or the transactions herein contemplated.

(d) FCC Consent. The FCC shall have consented to the assignment of the Station as contemplated by Paragraph 11, supra, which consent shall constitute Final Approval.

All of the conditions to the obligations of TBN herein are for its exclusive benefit and any or all of such conditions may be waived only by TBN. In the event that any of the condi-

tions to the obligations of TBN are not fulfilled by the Option Closing Date and are not waived by TBN, TBN may terminate all of its obligations to purchase the Station by written notice to \_\_\_\_\_ BBI. \_\_\_\_\_ BBI agrees to use its best efforts to cause to be fulfilled and satisfied all of the conditions to the obligations of TBN hereunder. In the event TBN terminates its Option to acquire the Station by reason of nonfulfillment of any of the conditions to its obligations, such termination shall not waive or otherwise affect the rights TBN might have against \_\_\_\_\_ BBI, specifically including, but not limited to, rights by reason of a breach of this covenant regarding the fulfillment of the conditions to the obligations of TBN hereunder.

15. BBI's Conditions to Closing. The obligation of \_\_\_\_\_ BBI to complete the assignment of the Station should TBN exercise its Option pursuant to paragraph 9, supra, is subject to the accuracy of all representations and warranties of TBN contained herein or in the Lease Agreement or otherwise made to \_\_\_\_\_ BBI in writing in connection with the transactions contemplated hereby and to the satisfaction of the following conditions:

(a) Representations and Warranties. The representations and warranties of TBN contained in this Agreement and in the Lease Agreement shall be true on and as of the Option Closing Date with the same effect as though such representations and warranties had been made on and as of such date, except for changes in the ordinary course of business which are not materially adverse.
